

# Media Services Pricing and Product Information from Apr 25 to Mar 26

We're committed to taking feedback on board and remaining competitively priced whilst continuing to innovate. Most of our product range remains unchanged again this year and we have kept price increases to a minimum.

We hope you can align with these changes so that we can continue ensuring that families who wish to do so can afford the benefit of media services at your venue.

## Headline updates

- We've been able to offer the Digital Download link free of charge with a Live & On Demand Stream for a number of years. However, it does incur a cost in production. Going forward, there will be a small charge for this item. The price of the Live & On Demand Stream remains unchanged.
- There is a small increase in the price of both the Basic Slideshow and Music Tribute and Family Supplied Tribute. This goes some way to cover inflationary cost increases of production.
- We have extended our free of charge offering for Young People (up to 18 years old) by now providing a choice of either a Music Tribute or Basic Slideshow.
- We have redefined our Extra Work Charges to make them clearer and easier to understand. We can take content such as multiple videos and pieces of music provided by the family, and craft them into a unique Tribute.

## What happens next?

The new pricing will come into effect from 1st April 2025, see [www.obitus.com](http://www.obitus.com) for the full range. We welcome feedback so if you'd like to discuss the price changes or sign up for Virtual Memorial Services, please get in touch with your Customer Success Manager.
